# **Corey Wilkinson**

732-778-5392 | Wilkin27@go.stockton.edu

### **OBJECTIVE**

Environmental Science Internship involving Environmental Quality and/or Geographic Information Systems. Offering experience with Arc GIS, SAS Enterprise, Microsoft Excel, and have a strong interest in chemistry, the environment, and geographic information systems.

### **EDUCATION AND CERTIFICATIONS**

BS in Environmental Science   Stockton University, Galloway NJ Concentration: Environmental Quality GPA: 3.68	May 2019
Marine Academy of Science and Technology (M.A.S.T.)   Sandy Hook, NJ	June 2015
AutoCAD Course	2012-2013
The National Society of Leadership and Success	2018
Boating Safety Certificate   Marine Service Bureau, New Jersey State Police	April 2013

**Significant Courses:** Chemistry 1 | general principles with lab • Physical geography with lab • Calculus 1

- Biodiversity and evolution with lab Physical geology with lab Chemistry 2 | organic structure with lab
- Ecological principles with lab Introduction to statistics and computers with lab Soil science with lab
- Remediation and biotechnology Environmental pollution and regulation Geographic information systems • Advanced geographic information systems • Groundwater hydrology • Geodatabase Design

### RELATED EXPERIENCE

#### North-central Appalachian Mountains | Physical geology | Stockton University Spring 2016

- Research and analyze geological history of North-central Appalachian Mountains
- Conduct field observations, compile into poster, and present to peers and professors

#### **BTEX and Gasoline Compounds** | Remediation and biotechnology | Stockton University Spring 2017

Reviewed and proposed the bioremediation of BTEX and other gasoline compounds

- Reviewed and proposed the phytoremediation of BTEX and other gasoline compounds
- Determined and presented the effective soil conditions for appropriate for remediation

### Redox Reactions in Soil and How Time Affects Them | Soil science | Stockton University

Spring 2017

- Examined 7 flasks for evidence of redox reactions
- Recorded the changes in E<sub>H</sub>, H<sub>2</sub>S gas, FeS precipitation, NO<sub>3-</sub>, Fe<sup>2+</sup>, and Mn<sup>2+</sup>
- Analyzed the changes in E<sub>H</sub>, H<sub>2</sub>S gas, FeS precipitation, NO<sub>3</sub>-, Fe<sup>2+</sup>, and Mn<sup>2+</sup>

Campus RainWorks Challenge | Environmental pollution and regulation | Stockton University Fall 2017

- Devised a plan using green infrastructure to reduce the amount of pollutants entering stormwater
- Budget for asphalt removal and installation of 6,400 ft<sup>2</sup> of Pannicum grass in Stockton parking lots
- Developed plan for installation of monitoring system for pollutants in stormwater

Crime Rate Study for New Jersey | Geographic information systems | Stockton University Fall 2017

- Study examining the crime rates from 1980, 1990, 1995
- Examined crime rates for three separate years by municipalities in New Jersey
- Analyze the correlation between population density and crime rates over the years

### **WORK EXPERIENCE**

Assistant Mason | Rescorl Masonry, Middletown, NJ

May 2016 - February 2018

- Gained valuable life skills and knowledge
- Good with hands on activities, hardworking, physically capable
- Sharp mental mathematics and problem solving skills
- Ability to retain and follow extensive orders and instructions

## **Professional Development/Internship Training**

NJDMAVA Remediation Intern | Lawrenceville, NJ | Stockton University

April 2018 - May 2019

- Rare Species Report
- Air Emissions Report
- ODC Surveys
- Map Geo-Referencing
- Water Sampling | Lead and Copper Action Level Testing
- ECOP Inspection Cape May
- ECOP Inspection Princeton
- New Jersey Licensed Site Remediation Professionals Association | August 22, 2018
- Spill Prevention and Contingency Plan Training | New Jersey Army National Guard |
  Cape May, NJ | July 2018
- Asbestos Awareness Training | National Guard Training Center | Sea Girt, NJ | May, 2018
- Meeting in Sea Girt- Winning Bid for upcoming Rare Species Project | Brinkerhoff Environmental
  Services, Owen, Little, and Associates, Conserve Wildlife Foundation | October 2, 2018
- Environmental Boot Camp | National Guard Training Center | Sea Girt, NJ | October 23, 2018
- NJDMAVA Internship Lecture | Stockton University | November 19, 2018 | Brinkerhoff
  representatives and EMB of the NJDMAVA in attendance
- Experience beyond the classroom with ArcMap and other GIS programs as well as the opportunity to teach others how to create, develop, and analyze data utilizing these programs
